The Blackwood Football Club has a long history and a bright future, and we would love you to be a part of it in Season 2024.

The support of our sponsors is vital to our success both on and off the field. We acknowledge the support from our sponsors and partners and encourage all members to show their support for the companies that contribute to the club.

We want to be the 'first choice' football club to all stakeholders, set the benchmark, lead, and positively influence the people and organisations that make up our Community.

- To provide an opportunity for local members to play at the highest level and reach their full potential
- To participate in a safe and friendly environment and to experience the highs and lows that team sport brings
- To foster and encourage a supportive and family environment to members of the community
- To be the most successful club in the Hills Football League and the most recognized Amateur Football Brand
- To win A grade premierships by playing competitive, team-based, inspirational football, and providing a pathway for juniors through the best junior program in Adelaide

Values

- **Excellence** Uncompromising around the quality of football we play, and involve the best people for the Club's development
- **Pride** Proud of our history and accomplishments as a Club
- **Community Spirit** Inclusive and community oriented with the teams, membership, and the general public

Why be involved with Blackwood

Involvement with any organisation in a commercial relationship requires a commitment to succeed at all levels. The relationship must be "win-win" for all parties and must be worked at to be successful. Likewise, Community Spirit is vital and worth fostering and maintaining, for the health and wellbeing of the people and organisations that offer a place for this interaction. Being a part of a community and contributing in any way can be fulfilling and rewarding.

For sponsorship relationships to be successful the club must support our partners wherever possible through direct financial support and club purchases. The club ensures the ongoing promotion of our corporate partners as well as the goods and services they provide to our members at every opportunity through various mediums. To maximise the financial rewards as a result of the club's efforts, our partners have enjoyed further rewards by becoming involved with the club thus creating further opportunities whilst networking with other Blackwood Football Club supporters.

Through a committed effort we can demonstrate that the Blackwood Football Club has achieved great benefits to our valued sponsors over a number of years as we strive to be a positive, progressive and professional organisation that is focussed on success and family values.

Season Goals

The Board and Members will be striving in 2024 to provide our partners and sponsors with value for money packages that will provide them with positive and beneficial outcomes for their businesses. This will be achieved through direct support where practical and the ongoing promotion to our club members and supporters via various mediums.

On Field

During the 2024 season the club will field three senior men's sides with Kieren Sporn as Senior Coach. With an experienced group of assistants and fitness team we strive to improve to the results of last season. We have recruited based on the needs of the team and we are extremely excited about the potential of improving our status this season.

Junior Football is a huge part of our club, with a strong Junior Football Committee backed by the Board, with more than 380 registered juniors playing in the HFL and SANFL playing from under 8s through to under 18s and we are also hosting NAB Auskick again in 2024. This provides an outstanding coaching and junior development program to enable our junior players to improve and develop their skills so that they may have the opportunity to participate at the highest standard of competition available to them.

We congratulate club junior Harry Lemmey who was drafted with pick 47 to Carlton FC in November's AFL draft.

Women's Football continues to grow at the Blackwood Football Club. We now have sides playing in the Open Women's, under 18s, under 16s, under 14s, under 12s and under U10s competitions providing young women the opportunity to develop and play the game of AFL.

We also congratulate Kiera Mueller who was drafted by the Adelaide Crows via Sturt FC in June's AFLW draft!

Club Members

Together with past players, parents, and supporters the club has membership in excess of 700 people! Members will continue to be encouraged to participate in all aspects of the club from attending games to support the teams, to meeting and getting to know people through serving in the many roles that need to be done in a club's life.

Social Events

Annually we hold many social events including Ladies Day, Sponsors Day, Ladies Luncheon/Fashion Parade, Gala Ball, Moulden Medal/End of Season Presentations as well as the Axemen's luncheons held four times across the season. We will advise you of these dates at the beginning of the season to make sure you do not miss any of these events.

Axemen

The Axemen have been a great supporter's group within the club for many years and also look forward to a positive 2024. They offer an opportunity for supporters of the Blackwood Football Club, old and new, family and friends, to meet informally and support the club. Membership is open to all supporter's male and female.

Facilities

The board are continuing to implement several improvements to club facilities to ensure the club is maintained and presented to a high standard, making it a pleasant environment to those who attend. Funding from Sport Australia, City of Mitcham, SANFL & BFC Members has brought a new state of the art Unisex Change rooms which complies with the AFL Preferred Facility Guidelines and features a sound-rated operable wall to provide further functionality of the changeroom space and cubicle showers for player privacy.

Club User Groups

The Club has provided an excellent venue for local groups to meet and hold events. They get to see our facilities as well as our sponsors advertising. We look to benefit from the improved club facilities and attract further groups in the coming year. Current User Groups include: ARPA Seniors Social Club, Coromandel Cricket Club, Mt Lofty Rangers 4WD club, Sturt Lions Soccer Club, St Peters Lutheran School and Trail Riding SA.

Life Members

As part of our heritage, we are grateful to those that continue their support of our club beyond their playing and parenting roles. We are proud to have 85 Life Members with the first accolade given in 1938. If you meet a life member, which will be obvious because they will be proudly sporting their Life Members Badge, you know that they have been given more than 20 years of service over and above just being a club member.

Attached are our Sponsorship Packages and Benefits for 2024 and we will offer the popular player sponsorship opportunity. We appreciate the time you have taken to consider a partnership with the Blackwood Football Club, please do not hesitate to our sponsorship coordinator with any questions you have.
